

**Project Update: May 2014**

Elvis Valderrama just returned from a brief visit to the Yavari where he did some preliminary work with the school in Nueva Esperanza.

He also screened, for the first time with a translation, a version of the award-winning Animal Planet and BBC documentary 'Uakari - Secrets of the English Monkey'.

Left: Juvenile red uakaris on the Yavari River. Right: Children in Nueva Esperanza in our first children's red uakari workshop adopt the uakari as part of their logo.
